## Dedication

# Ms. Trainor

It seems like just yesterday we were walking into Medford High School; scared, anxious, and nervous, were just a few of the emotions we were feeling as we took the next step in our educational careers. Along with the transition from middle school to high school came many changes, and from the very beginning Ms. Trainor has supported and

walked side by side with the class of 2013 as we journeyed through the last four years.

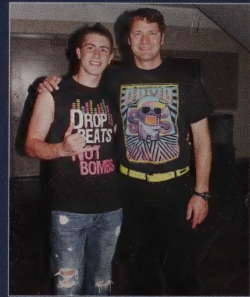

Ms. Trainor has always gone out of her way to not only be an amazing submaster but also a confidant - someone who we can talk to, someone we can trust. Regardless of the situation, we could always depend on Ms. Trainor to be honest but reassuring and motivational at the same time. No matter what kind of student any of us were - athlete, bookworm, or maybe somewhere in between - Ms. Trainor made all of us feel a part of the Mustang community.

On behalf of the Class of 2013, we would like to dedicate our yearbook to Ms. Trainor as a small thank you for spending the last four years with us. As we take the next step and prepare ourselves for the inevitable changes that are soon to come, we will forever hold onto a piece of Medford High School no matter where we go. When we look back on Medford High we will all have our own memories. One of these memories that we will share is of the woman who was there for all of us, the one that believed we all have the potential to achieve our dreams. Thank you, Ms. Trainor, for everything you have done for us. We'll miss you!

# Dr. Perella

Medford High has become a place of familiarity. The same hallways, the same teachers you walk by every day, and the same students we have been surrounded by for the past four years. However, with familiarity has come a lot of change: a new gym and track, new computers, but most of all a new headmaster.

As a class, we have become so accustomed to the comfort that Medford High has given us these past four years, and when we heard change was approaching our senior year, we were unsure of what to anticipate or how to react. We were so used to what was familiar, what was easiest to fathom, that we figured all we could do was hope for the best.

A friendly hello, a caring conversation at lunch, or a listening ear is what Dr. Perella has been to all of us as we have made it through our senior year. The Class of 2013 would like to dedicate our yearbook to Medford High community's newest member in recognition for making our last year at Medford High School as memorable as possible. Medford High will be a place we will never forget, filled with people and memories that have shaped us into who we are. Dr. Perella's arrival has taught us that though change is scary, it holds promise and potential for great things to happen. As we move on, we are not the only ones changing. We wish to thank Dr. Perella for being part of our senior year and to say good luck with what the future holds.

# A Message from the Headmaster...

"A man who carries a cat by the tail learns something he can learn in no other way."  
-Mark Twain

Dear class of 2013,

It has been a pleasure to serve as your headmaster this year. Thank you for welcoming me to Medford High School and for this opportunity to share some thoughts with you in your yearbook.

The above quote by one of America's most profound thinkers is both cautionary advice, and an acknowledgment of the most significant manner in which we learn – experience. This yearbook is a celebration of some of the experiences in your senior year. I hope you will be able to flip through its pages and recall funny conversations, special friendships and memorable times for many years to come.

As you continue on your life adventure, never forget that experience is the only way we can truly understand the world around us. In the Hobbit movie that came out this year, Gandalf (the wizard) tries to motivate Bilbo (the hobbit) to take part in "an adventure." He tells Bilbo that the world is not in his books and maps, but that it is out there (pointing out the window).

As you prepare to go "out there," I hope you savor the excitement of your upcoming adventure. Like any quest, there will be danger, romance, magic and the possibility of riches beyond your wildest imagination. I hope you enjoy every second of it.

## *A Message from the Vocational Principal...*

It is with a great sense of pride that I am able to offer the Class of 2013 my warmest congratulations upon your graduation from Medford High School. For all graduates, this is a particularly symbolic transition as you complete those formative years that you will later recall as the "good old days."

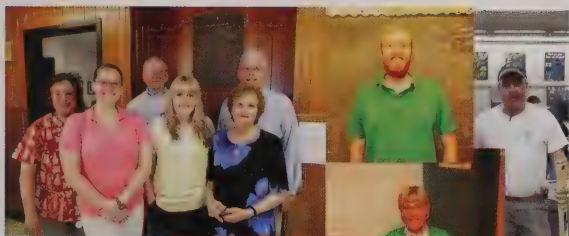

For each of you personally, the completion of high school means something different. It is from that diversity of experience, achievement and aspiration that the fabric of our society is woven. Strength comes not from the sameness and conformity, but rather integrity, excellence and individual commitments to a better life for yourself and those around you. At Medford High School, you have been offered the challenges necessary to help you go forward in a complex completion of those challenges, and a source of pride to your families and our staff.

On behalf of the faculty and staff at Medford Vocational Technical High School, I wish you continued success in your future endeavors.

# Senior Interviews

Conducted by Evan Nigro and Paul Williams

**What was your favorite experience at MHS?**

"My favorite experience was receiving dating advice from Dr. Krueger." -Steve Lee

**What will you remember most about MHS?**

"Probably when I saw Hairspray one Saturday night and I got to see Trent get all sexy on us in a hot dress and some shaved legs." -Gianna Romano

**How have you changed since Freshman Year?**

"Well, for one, I got a lot taller. Other than that, I've changed a lot because I have had so many unique experiences at MHS. I have grown a lot more confident in myself for sure, to the point where I am comfortable making speeches in front of the class. I have also become a lot louder in terms of my opinions, and those who have or had History or English classes with me can attest to this." -Christian Healion

**What is your funniest memory from MHS?**

"My funniest memory was during a rehearsal for The Greek Mythology Olympiaganza when we all had to wear togas. We needed an under shirt and shorts in case we had a wardrobe malfunction. I forgot shorts and my friend had an extra pair of boxers to let me borrow. I think the cast will always remember the day I wore PJ's boxers." -Sarah Neal

## Senior Quotes

"I'll remember my Orchestra teacher, Mr. Szykniej, because he's an amazing, kind, and talented man who taught me how to play the violin and cello." -Kayla Miguel

"I'll probably remember Mr. Contrada the most. I think it's impossible to forget hair that magnificent." -Bailey Lee

"I wish, as a freshman, I had known that I would enjoy every moment of high school, no matter how rough it got. Also I wish I knew ahead of time that Ms. Bowler would become the love of my life (not kidding)." -Jimmy Conlon

**What do you wish you had known as a freshman?**

"It would have been very helpful to know that there is not, and never has been, a 3rd floor A-Building." -Kaleigh Smith

**How have you changed since Freshman year?**

"I used to carry binders with me. Now I carry stacks of paper. I hope that will change by the time I'm in college." -Trent Sullivan

**What teacher will you remember most?**

"I'll remember Mr. Contrada because he made me love chemistry, and he has a rockin' mustache." -Martha Nkangabwa

**How have you changed since Freshman year?**

"I had a rocky start at MHS, and I have made some poor choices, but I've grown up a lot since then, and am now focusing on excelling in school." -Karina Barrett

**What teacher will you remember most?**

"I'll remember Mr. Bon-Bon. He has a great sense of humor once you look past his serious exterior." -Jeff Chambers

**What was your favorite experience at MHS?**

"Definitely playing volleyball. I love all the girls on my team and had a blast playing with them." -Devin O'Hare

**What was your favorite experience at MHS?**

"When I joined the tennis team. I was a new student and everyone on the team made me feel at home." -Kevin Nguyen

**What will you remember most about MHS?**

"Dating advice from Dr. Krueger, the master himself, and how hot it is during the spring." -Maxwell Kennedy-Reid

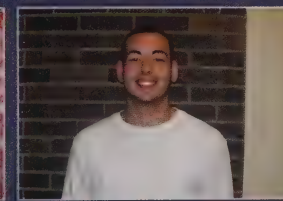

**What will you remember most about MHS?**

"Watching Mr. Ambrose sing and dance to 'Good Vibrations'. He really killed it." -Cory Mortell

**How have you changed since freshman year?**

"I've become more open. I was new to Medford freshman year and now I've made some friends." -Maria Peralta

**What was your favorite experience at MHS?**

"Playing basketball and soccer because I made a lot of new friends." -Jonathan Pires

**What do you wish you had known as a freshman?**

"How important it was to develop good time management skills...it only gets worse." -Alison Ross

"I will always remember watching Kung Fu Panda in Ms. Chyen's class." -Nabonita Hoq

"The teacher I will remember most is Mr. Ross. He was not just an authoritative figure. He was someone who you could joke around with and allowed you to express yourself." -George Xanthopoulos

"I will remember Ms. Farumn the most! She was my first teacher when I started at the voke and she was the funniest teacher a student could ask for." -Giscard Joseph

"My funniest experience at the voke was watching Giscard attempt to do the cinnamon challenge in shop." -Christina Manzi

Many seniors escaped Medford for a while this summer to vacation on Cape Cod. Aside from enjoying the waves, many took up jobs such as lifeguarding like Kathleen Callahan, ice cream scooping like Ali deRosas, or even teaching sailing lessons like Bailey and Steve Lee.

# SUMMER HANGOUTS

## Fenway Park

Despite a disappointing season, many seniors of Medford High proved to be loyal Red Sox fans spending their afternoons watching a game or a night under the lights at Fenway.

This season marked the fourth consecutive undefeated GBL Championship title for the Girls' Varsity Soccer team. Despite the team suffering a multitude of injuries including a torn ACL, a recovering ACL tear, three back injuries, three concussions, a broken finger, four ankle injuries, and numerous other pulls and strains, the Lady Mustangs finished with a league record of 7-0-1 and an overall record of 10-4-3. At the end of the season, the girls qualified for the State Tournament with a 12th seed facing Concord Carlisle. To top off an impressive season, a number of the Mustang athletes were recognized for their skill as GBL All-Stars including Senior Katherine Timmins, Sophomores Kly Goncalves, Korey O' Rourke, Adrienne Porrazzo, and Fae Allison, who was named the League Co-MVP. Thanks to all the girls for making this a truly unforgettable season.

Although these Mustangs started off their season with a slow start, triumph was soon reached with winning streaks resulting from hard work.

No matter what challenge this team faced, they always overcame it. Whether it was the constant switching of positions, adjusting to new rotations, or injuries, the Mustangs always kept fighting. Each and every member of the team grew as an individual player, and together as a whole. No matter the outcome of each game, the Girls' Volleyball team is a family at the end of each day. To end the season, Lydia Reagan, Katie Napier and Kelly Foley were recognized as first team GBL All-stars and Alison Ross was recognized as second team GBL All-star. Thanks to Coaches FitzPatrick, Stadfeld, and Hughes for a fantastic season, with many more to come.

ADVERSITY. A word the Mustangs know all too well. It comes when they least expect it and it tries to break them down.

They could have quit, ending all 4 years of hard work and time they dedicated to the team. But they didn't. Instead, the boys continued to play the game they loved with a sense of passion that will never be forgotten. They fought hard during the season and never gave up. Though there were many struggles, the Mustangs continued to show up and work hard for a team they called Family, whose members always did it...

FOR THE BOYS.

# RUMORS

The MHS drama club delivered a hilarious rendition of *Rumors* by Neil Simon. Four couples arrive at their best friends house for their tenth anniversary, however they discover the host has shot himself and the hostess is missing. They are forced to get rid of the police and figure out what happened in this "who done it".

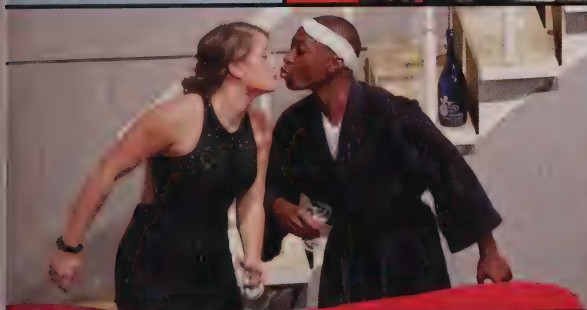

Right: Ellen, Kerry, and P.J. act the part of the Spanish cooks.

Above: Ali and Will dancing at the party.  
Right: The seniors of rumors.

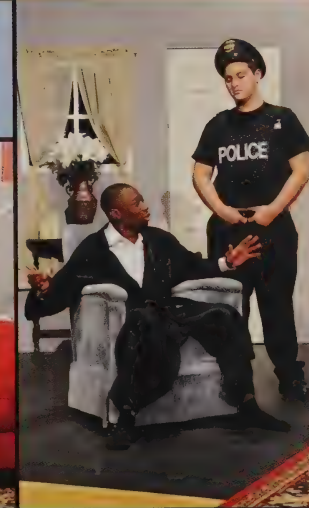

Left: Ali and Greg share a kiss while he tells the story of the gunshot.

Above: David questions Trent about the gunshot and the party.

Above: The couples toast to the success of ridding themselves of the police.

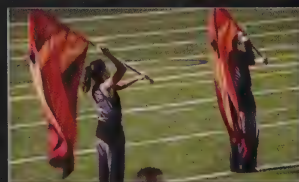

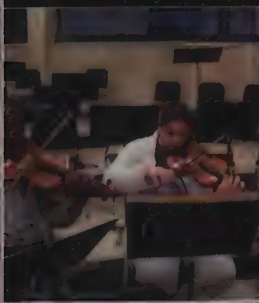

# BAND

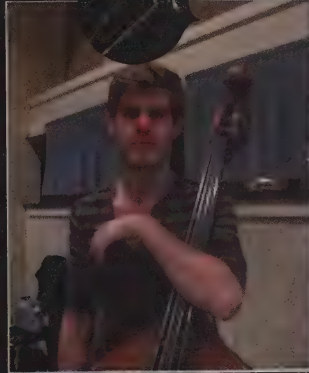

The MHS marching band is a fantastic part of our school and community. This year, they have competed in various marching competitions, representing the school with pride. With seniors Sarah King, Julie Ahn, Alex Leccese, and Aaron King leaving this year, there is still a lot of room for the band to grow, but we look forward to many wonderful years of music in the future.

"Orchestra period is the period of creativity. We create music as we create bonds with each other and the world at large. We train our fingers and we expand our minds as we learn about ourselves and the universe. Best of all, we create memories to last a lifetime."

The yearbook staff works diligently from the start of the school year to their very last deadline in hopes of capturing the memories and experiences here at MHS during our senior year. The book began its works in the summer months as a handful of student staff members headed to the University of Connecticut for an overnight workshop. The class meets four times a cycle and deals with layout designs, photography, and even handles all business sales. With the much appreciated help of professional and volunteer student photographers such as Maxine Harney and Daniel Morey we were able to include all sports teams, clubs, plays, and dances throughout our senior year. A special thank you to Mr. Ambrose for making this whole book possible!

A Tony Award- and Pulitzer Prize-winning show, *Fiorello!* has been called “the greatest musical you’ve never heard of.” It’s the story of New York Mayor Fiorello LaGuardia, who broke the stranglehold of the corrupt Tammany Hall political machine, restoring honest government to the people. *Fiorello* is a highly entertaining double love story, and a lively musical tribute to the power of taking on business-as-usual that is especially relevant today.

# Trent Alexander Sullivan

You made us cry with laughter on the stage, challenged our worldly views with intelligent arguments and, most of all, filled our hearts with joy and pleasure of being your parents. Congratulations, kiddo-can't wait to see what the second act of your life brings.

All our love,  
Mom and Dad

# Jake Liberty

accomplished, and for all  
that you have become. You  
have given us so much over  
these past four years, and  
have shown that you are a  
true champion. You worked  
hard, and played hard, and  
now it's time to go out and  
show the world what we  
already know.

Congratulations!

Gooch
